Store in a damp-free environment at a stable temperature of ~20°C
Keep away from direct sunlight
No personal protection equipment is required in handling and storage

COMPOSITION

Base - Polycotton Fabric with print-receptive coating for Dot Matrix printing
Die-cut with perforation
Adhesive - Polyester

HEALTH & SAFETY

This product is identified as Non-Hazardous to the end user
No PPE is required during application**

ENVIRONMENTAL / RECYCLING

Non-Recyclable

**Any fumes created by this transfer during application are harmless. However, modern garment materials can be coated and finished in many different ways; some of which may alter their application and health & safety requirements. We recommend thorough checking and testing of any garment material to determine the correct requirements before application.
